

Seduction by Tastebuds

2010 Series

Victoria's Pyrenees Wine Region comes alive with its annual series of amazing food and wine experiences you'll never forget!

Foodies with an eye for top Australian wines may be well acquainted with the concept already, but for the uninitiated, Seduction by Tastebuds takes you to the wineries of Victoria's Pyrenees Region for a series of slow food events matching amazing food to local premium quality wines.

Each unique event presents a menu crafted and executed by one of Australia's top chefs which is complemented by Pyrenees wines carefully selected by the winemaker of the host venue.

And to celebrate our sixth year, we're kicking off the 2010 series with a dinner (breaking away from our usual luncheon format), accompanied by the fine flavours of beers from Beaufort's Three Troupers Brewery. Another special event this year will be the Warrenmang lunch, where the acclaimed winery will celebrate its 21st birthday, welcoming back original Chef Dean Matthews.

Attend one or attend them all - just \$130 per person, per dinner or luncheon, all inclusive. It's the perfect Christmas gift idea! For information, bookings, a Seduction brochure or to purchase gift vouchers, phone 1800 206 622 or visit our website at www.pyreneestourism.com.au.
